Technical drawing of the E2000 2000W electric heater, showing dimensions and optional accessories.

Dimensions:

- Overall width: 2100
- Overall height: 30
- Top panel width: 1653
- Top panel height: 280
- Distance from left wall to top panel: 470
- Distance from top panel to bottom panel: 690
- Distance from left wall to bottom panel: 1160
- Distance from left wall to bottom panel (with optional accessories): 455
- Distance from bottom panel to right wall: 1595
- Distance from left wall to right wall: 2050
- Distance from left wall to bottom panel (with optional accessories): H

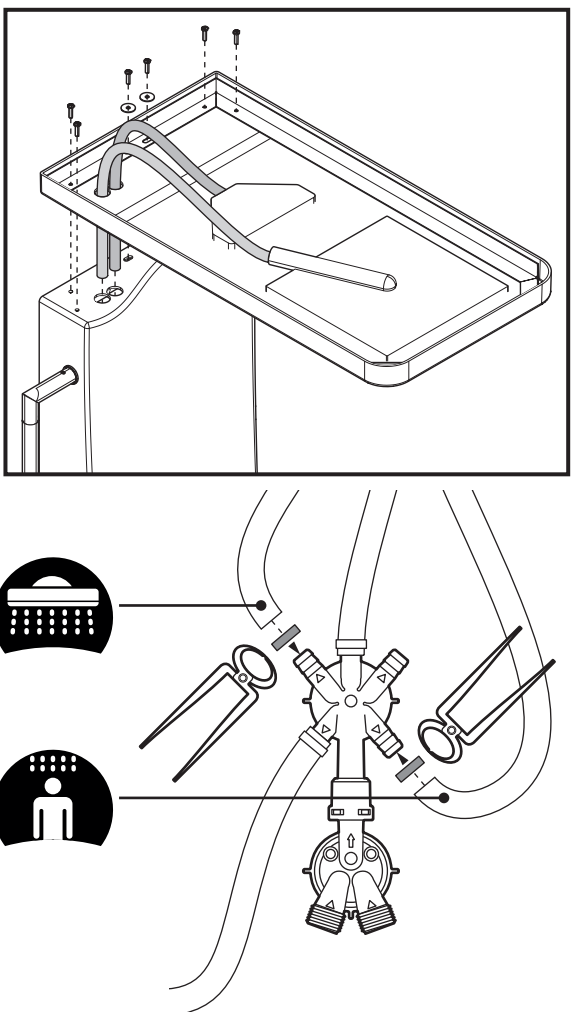

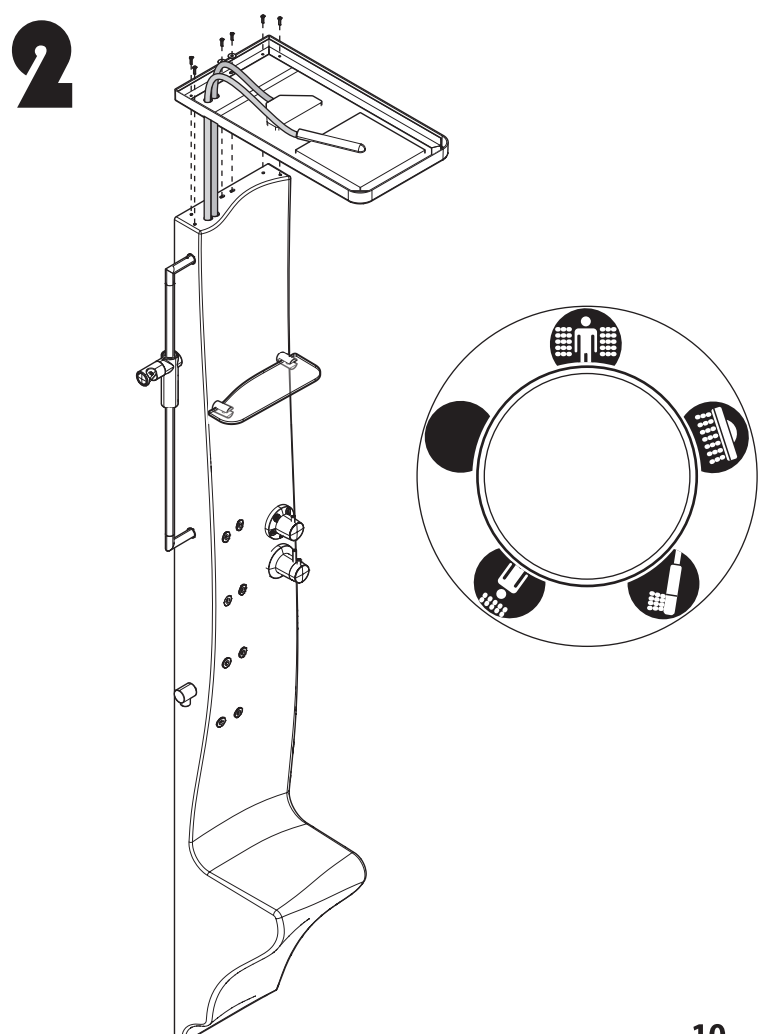

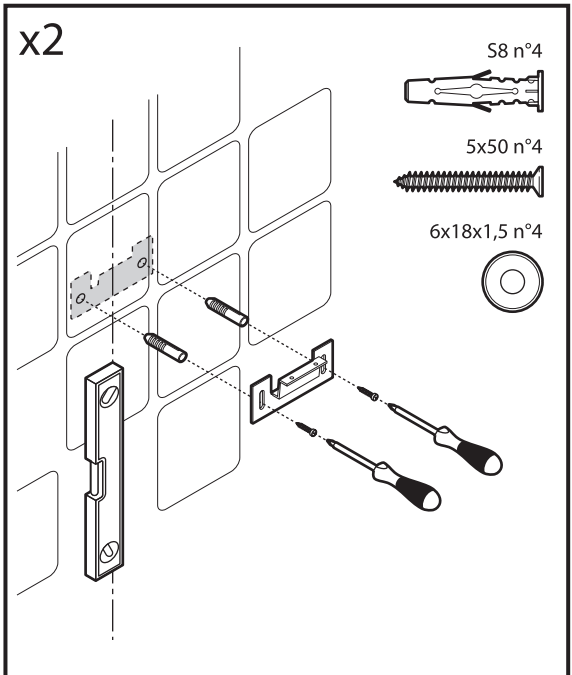

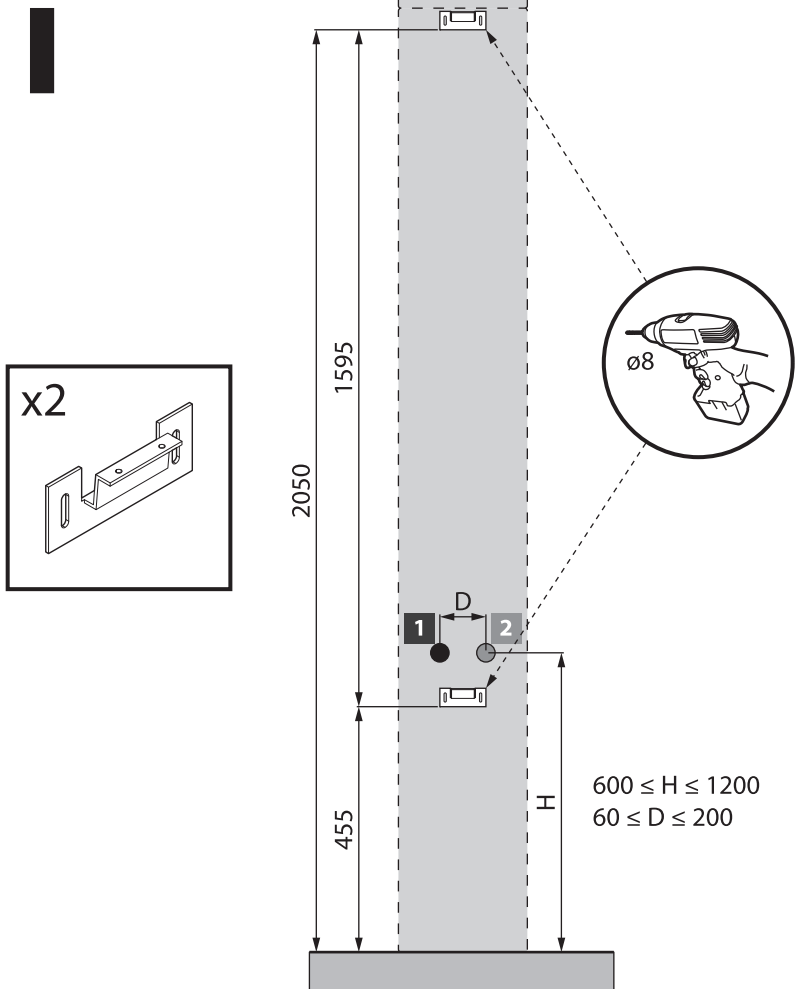

Optional Accessories:

- 1. Remote control (RC)
- 2. Thermostat (T)

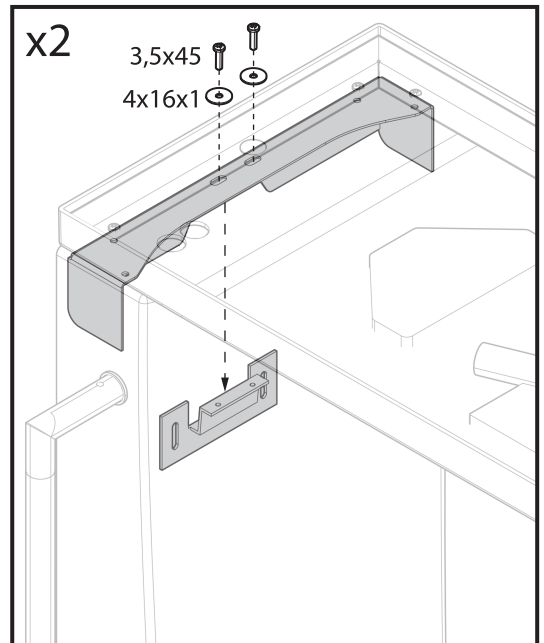

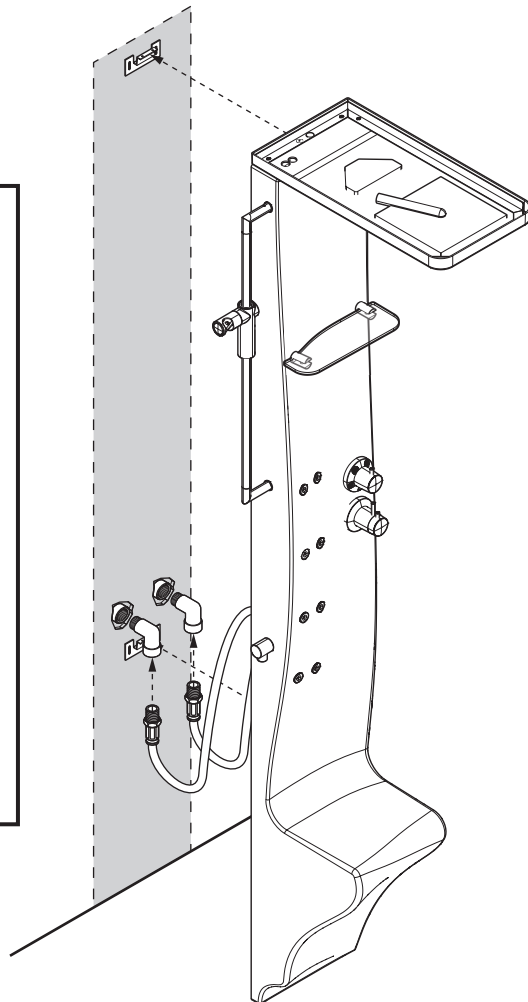

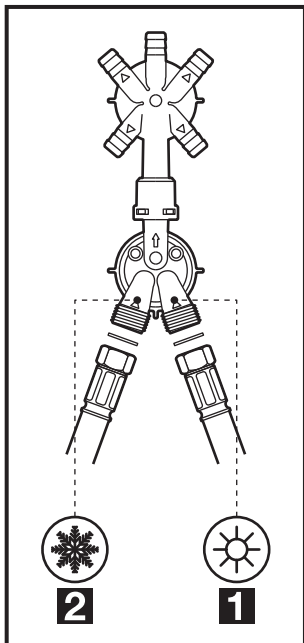

Technical drawing of the front view of the device. Dimensions are indicated in millimeters (mm):

- Overall width: 550
- Distance from left edge to the center of the circular component: 311
- Distance from the top of the circular component to the top of the main body: 81
- Distance from the top of the main body to the bottom of the main body: 428
- Distance from the bottom of the main body to the bottom of the device: 411
- Distance from the right edge of the main body to the right edge of the device: 66
- Distance from the right edge of the main body to the center of the circular component: 157
- Distance from the right edge of the main body to the center of the circular component: 171
- Distance from the right edge of the main body to the center of the circular component: 214
- Distance from the right edge of the main body to the right edge of the device: D
